

**Proven to Increase  
Insulation Performance  
by as much as Double or More!**

An Energy Star friendly product

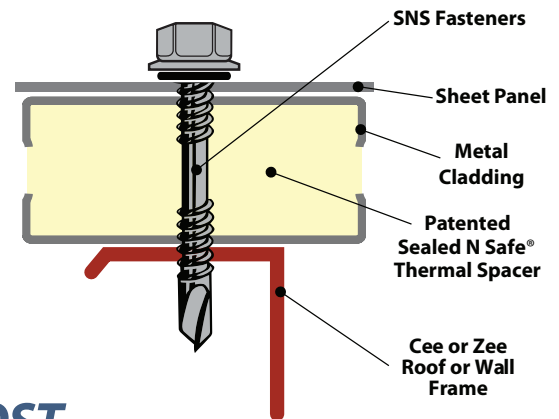

## Prevent Unproven Or Untested Thermal Blocks From Causing Havoc With Your Building Envelope

**The Sealed N Safe® Continuous Insulation System is designed for use with:**

- Cee, Zee, or Joint Roof and Wall Frame
- Any Blanket Insulation System
- Any Roof or Wall Panel
- Doubles the performance of the insulation value

**HIGHEST PERFORMANCE / LOWEST COST...**

**That's the Sealed N Safe® Difference.**
